Montreux, Switzerland

Start Your Journey to Success

Join ageing services leaders at The 2017 Global Ageing Conference in the best place to grow old, Montreux Switzerland. Don't miss this opportunity to experience all that Montreux has to offer:

- 4 Blocks of sessions** providing tangible examples and best practices that can be incorporated into your daily work with your residents and staff.
- 3 Social events** to engage with peers and experience the extensive culture Montreux is known for.
- 2 Days of professional development** with worldwide leaders in aged care designed to enhance and grow the skills needed to tackle the issues facing the field.
- 1 Conference** providing the global perspective necessary to propel innovation and increase your competitive advantage.
