Shared care planning with a person who has capacity	6
1. What is the presumption of capacity? How should we create a care plan with someone who has capacity?	
2. What should be recorded, and how?	
3. Future care planning	
4. Has the person made, or do they want to make, an advance decision to refuse treatment?	
5. How should someone make an advance decision to refuse treatment?	
6. When does an ADTR come into effect?	
7. What is the legal status of an ADTR?	
8. What should be recorded about an ADTR and how?	
9. If the person changes their mind, with capacity, about an ADTR, what should be done?	
10. How and when should someone appoint attorneys under a Lasting Power of Attorney?	
11. When does an LPA come into effect?	
12. What is the position of an LPA if someone's capacity fluctuates?	
13. What are the legal powers of an LPA attorney?	
14. What protections are there for the donor of an LPA?	
15. How can a provider find out if a person lacking capacity has an LPA, or a Deputy?	
16. How should providers act when a relative has powers under a property and financial affairs LPA but not under a health and welfare one, or vice versa?	
17. How does this change future decision-making by others?	
18. When someone has given powers under an LPA, what should be recorded by a care provider, and how?	
19. If the person changes their mind, with capacity, what should be done?	
20. What is the relationship between LPA attorneys' decision-making and an ADTR?	
21. How does a person with capacity make an advance statement of wishes?	
22. When would an advance statement of wishes come into effect?	
23. What is the legal status of advance statements of wishes?	
24. If the person changes their mind, with capacity, about an advance statement of wishes, what should be done?	
25. How does an advance statement of wishes change future decision-making by others?	
Capacity Assessments	13
1. What is meant by having or lacking capacity?	
2. Maximising capacity	
3. When should someone's capacity be assessed?	
4. What is the MCA two-stage test of capacity?	
5. What does the MCA mean by 'impairment or disturbance' in the functioning of the mind or brain'?	
6. What does the MCA mean by 'inability to make a decision'?	
7. What is the causal nexus in the two-stage test of capacity?	
8. Who should assess the person's capacity?	
9. When should professionals be involved in assessments of capacity?	
10. What proof of lack of capacity does the MCA require?	
11. In a capacity assessment, what should be recorded, when, and how?	

Care planning: best interests decision-making for adults (aged 18+) or young people (aged 16 – 17) who lack capacity for relevant decision-making17

1. What does 'best interests' mean?
2. What is the best interests statutory checklist and how is it to be used?
3. Are there any exceptions to the best interests principle?
4. Can the best interests principle authorise relatives signing a consent form or agreeing to a care plan, on someone's behalf?
5. How and when does the MCA provide protection from liability?
6. What does the code of practice say about protection from liability in care planning?
7. How often should a care plan be reviewed?

Resistance, Restraint, Restrictions21

1. How does the Mental Capacity Act define restraint?
2. What extra conditions must be met for restraint to acquire protection from liability?
3. When might restraint be necessary?
4. Is it lawful to restrain someone to prevent harm to someone else?
5. How should care plans including covert medication be recorded and reviewed?
6. When should we consider deprivation of liberty?

Deprivation of Liberty 23

1. Article 5 of the European Convention on Human Rights
2. Article 8 of the European Convention on Human Rights
3. What is the 'acid test' of deprivation of liberty?
4. What might amount to deprivation of liberty in various care settings, such as supported living or in people's own homes?
5. How does CQC regard providers whose applications for DoLS authorisations are not processed within the statutory time-scales?
6. What are the Deprivation of Liberty Safeguards (DoLS)?
7. Who is protected by the deprivation of liberty safeguards?
8. How are the rights of people deprived of their liberty in community settings or when aged 16/17 protected?
9. How does deprivation of liberty fit within the wider MCA?

Notes 27
