Dear Professor Green

**FEE: INFLATIONARY UPLIFT 2014/15**

We acknowledge the receipt of your letter dated 12 February 2014 requesting an update on uplift of fees.

Peterborough City Council will be entering into negotiations with providers regarding this as part of a broader engagement which will be looking at the current contract and the introduction of a new contract within 2014/15. The Council will subsequently apply any uplift agreement as one of the outcomes of this work.

Yours sincerely
